"Minnesuing was incredible. The atmosphere was perfect and private. Well worth the drive. We couldn't think of a better location. The staff was excellent, very friendly and personable, they treated us like family. Let's go back!"

YOU CAN FEEL THE HISTORY

Walking around our grounds, you can sense that our lodge has a rich history, filled with great stories, much laughter and many happy moments. Minnesuing Acres started out as **Curt Carlson's family getaway** and the gathering place for Gold Bond Stamps sales meetings. We've always hosted just **one group at a time**, to ensure maximum satisfaction and personalized service.

Since opening in the early 1960s, we've played host to many VIPs — including the King and Queen of Sweden — as well as countless organizations seeking new strategies for success or simply celebrating past accomplishments.

The Carlson's invite you into their wonderful lodge home. When you stay with us, you are sure to **feel like part of the family.**

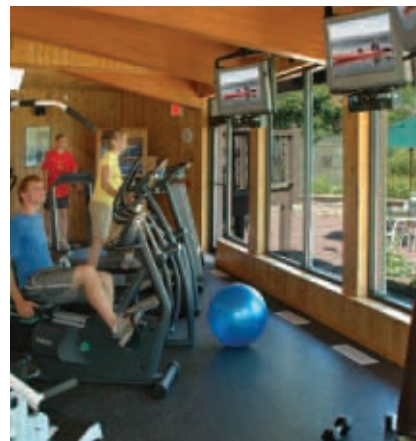

"Thank you so much for all your help with our lawyers' retreat. Everyone had a fantastic time and the entire weekend ran very smoothly. The food and accommodations were great and the staff was so helpful and flexible. You have a first class operation!"

THE BEST OF BOTH WORLDS

When it comes to accommodations and amenities, our lodge does a masterful job of blending old and new. We offer nearly 40 guest rooms for your team to enjoy, each one featuring unique, rustic décor and private baths. We also have a private four-bedroom island house that is available for your use.

For your convenience, we've wired each guest room — as well as our Great Hall and Conference Center — for **wireless high-speed Internet access**. In addition, you'll receive excellent **cell phone coverage** on our grounds. You get the best of both worlds — all the relaxing benefits of a true Northwoods getaway, along with the peace of mind of knowing that you're just a quick click or call from home or the office.

SOMETHING FUN FOR EVERYONE

"Thank you for all that you and your staff did to make our summer offsite a successful and memorable one. Your assistance and hands-on involvement with the planning process and the event itself was particularly helpful. It was another great year at Minnesuing!"

Or, take it inside to view a movie in our conference room, **grab a workout or swim**, or hit a Pilates class.* Those less adventurous can always enjoy our **indoor bowling alley**, foosball and pool tables. And for some serious pampering, treat yourself to a private Minnesuing massage!*

**Select classes and massages require an additional fee.*

MULTIPLE MEETING VENUES

Our lodge was smartly designed to make it easy for organizations to hold professional, productive meetings. Our spacious Conference Room features large tables, comfortable chairs, lots of natural light and advanced AV systems, as well as **high-speed wired and wireless Internet**. For seminars and breakout sessions, you can choose from our three board rooms or inspire truly fresh ideas by gathering outside on a scenic patio, or even on a pontoon boat on the water! **Your team will become more connected** — and your business will reflect it. We call it our "Minnesuing Magic."

We're also the ideal location for your next reunion! Why not treat your family to a Minnesuing getaway? Remember — you'll have the entire lodge to yourselves!

"Minnesuing Acres exceeded our expectations — the staff was efficient and delightful, assisted with critical last-minute changes, and was accommodating and welcoming.
