

## Meeting Facilities

When it's time to get down to business, we have the facilities and equipment that'll make your meetings smooth and seamless. Our meeting rooms can be utilized for everything from motivational sessions, seminars and celebrations to a movie theater, yoga or Pilates classes and more. Our spacious, configurable Tipiwakan Conference Room features large tables, comfortable chairs, complete AV/PA systems and high-speed wired and wireless Internet access. And, of course, there's always the option of taking it outside on a deck or patio! In addition, we've installed new equipment to ensure that your team members have the cell phone coverage they need when making and receiving wireless calls.

Your group will leave Minnesuing not only satisfied with the results of your meeting, but refreshed and inspired to face the challenges ahead.

The following equipment is available and included in your daily rate. **Simply indicate on your Agenda how you'd like the Conference Room tables configured (rounds, classroom, theater, u-shape or square) and which other rooms and equipment you'd like to request for each meeting. We'll have them ready for you!**
